## Product Obsolescence Notification

### Product Affected: SATABlade

Dear Valued Customer:

As part of the product life cycle management program of Nexsan Technologies, we would like to notify you of the end of life for the SATABlade product range.

Here are some important dates to remember:

- Last date of customer shipment is scheduled to be February 8, 2008.
- Last time buy (LTB) orders will be accepted until 5:00 PM PST on February 8, 2008.
- Warranty Extension requests will be declined after February 8, 2008.
- Firmware updates will be available until February 1, 2009.

You can use the SATABoy as a direct replacement of the SATABlade.

Please note: LTB data is dependent on availability. Nexsan uses historic trends to project future availability. We reserve the right to accelerate the LTB date if reserves deplete more rapidly than anticipated.

If you have any questions regarding this obsolescence please do not hesitate to contact your Nexsan Sales Manager.

Sincerely,

**Rik Mussman**  
Chief Operating Officer
