

Geraldine Osman

VP International Marketing at Connected Data

I'm proud to work in the data centre/IT industry because...?

Technology changes everything rapidly and for the better - and at the heart of every technological advance is

Twitter accounts worth following?

@TransporterEMEA @geoffbarrall

You get to witness one event from history - which one and why?

Probably the first flight of the Wright brothers, ultimately this has lead to the world becoming a much smaller place.

Your favourite websites?

BBC sport, BBC news. I travel a lot so I depend on these to sites to read blow by blow accounts of the cricket, to keep up with the scores, and to hear the general election unravel in real time.

The weekend end is for winding down or getting out and about?

Friday evening is for winding down, the rest of the weekend is for getting out and about

Hard copy book or e-reader?

Definitely e-reader

Social media - a waste of time or a valuable time?

Like anything it depends how you use it. I think it has a valuable place as a communication channel.

Dead or alive - the person you admire the most?

Alive: Angelina Jolie for her humanitarian efforts, personal courage and juggling a career with family. Laura Bates for her efforts to address equality in society.

Dead: Winston Churchill for leadership in challenging times. Steve Jobs for pure innovation and conviction in his own vision.

One tech company to watch?

Apart from Connected Data, I would have to go with Nutanix, they're doing some really smart things with virtualisation technology.

The Internet of Things - there must be a better phrase than this to describe what's going on?!

The Internet of everything?

Favourite destination?

Turkey.

Fitness or fatness'

Both have a place, I can eat cake if I go the gym and if I go to the gym I can eat more cake...

Favourite mobile device apps?

iplayer, XE currency converter, Sonos, the Kindle app, ShoppingList, Ocado

If you weren't an IT exec, what would you like to be?

A get away driver.

The saying or quote that inspires you?

What doesn't kill you only makes you stronger.
